

## Communities of Interest Committees Expression of Interest

### Overview

Nominations are sought from AIFST Members interested in further contributing to AIFST and the wider membership, as a member of a Communities of Interest Committee.

### Appointment of COI Committee Members

AIFST is currently calling for nominations to the following COI Committees:

1. Queensland COI (geographic)
2. New South Wales COI (geographic)
3. Victoria COI (geographic)
4. Western Australia COI (geographic)
5. South Australia COI (geographic)
6. Tasmania COI (geographic)
7. National Microbiology COI
8. National Sensory COI
9. National Innovation and New Product Development COI
10. National Young Professionals COI
11. National Nutrition COI
12. National Consultants COI

In the case where the number of nominations does not exceed the number of vacant positions; a member will be appointed to the relevant COI Committee without the need for a voting process. Should the number of nominations exceed the number of vacant positions the AIFST Secretariat will coordinate with the relevant COI Committee the hosting of a forum to allow respective COI members to vote and discuss nominating members objectives with the wider AIFST membership.

All COI Committee member nominations are made for a two-year term and all members are required to remain financial members of the Institute during their term. AIFST members interested in nominating for a COI Committee are required to complete the Expressions of Interest Form and email through to [aifst@aifst.com.au](mailto:aifst@aifst.com.au) by **5pm, 28 February 2018**.

Nominations do not require the endorsement by other AIFST members and all AIFST members are eligible to nominate for a COI except in the instance of a geographic COI where they are required to reside (including temporarily) in that area.

For further information, please contact the COI Secretariat:
